INTERNATIONAL CHAMELEON DAY

Here's to celebrating chameleons! Wildlife Madagascar and our many partner organizations are establishing May 9 as a dedicated day each year to appreciate and raise awareness about chameleons and their habitats. In honor of these amazing lizards, we have developed materials that you can use and share for your own chameleon celebration, including fact sheets, activities, and puzzles.

Help spread the word on social media, too, and use the hastags:

Let's Get Crafty

What you need:

- Small cardboard tube (craft or toilet paper roll)
- Colored construction paper
- Coloring markers or crayons
- Scissors
- Clear tape and/or glue stick
- Ribbon (2-3")
- Googly eyes (2)

What you do:

1. Print out the template*.
2. Color the template pieces whatever chameleon colors you like—look at some chameleon photos for inspiration!
3. Cut out the pieces on the template.
4. Wrap tube with construction paper (use any color you like).
5. Find the circle shaped piece. Tape or glue it to the back of tube to cover the opening.
6. Find the piece with the four legs. Tape or glue the legs section to the bottom of the tube.
7. Glue the googly eyes to your chameleon's head and draw on the smile.
8. Fold the head at the fold line. Connect the top of the head together and glue to the top of the tube.
9. Find the chameleon's crest. Fold it and then glue to top of the tube.
10. Time to make the tongue! You might need an adult's help to use scissors to curl the ribbon, then glue to the mouth.
